2020/2021 Membership

You can support Welfare Rights & Advocacy Service by becoming a member. Incorporated as the TLC Emergency Welfare Foundation of Western Australia the agency is a community legal service which provides casework, information, representation and referrals regarding Social Security, Tenancy and Social Security Prosecution matters.

The service is also one of the major agencies in Western Australia, which advocates publicly and lobbies Governments to improve policies and procedures on behalf of people on low incomes. Membership of the service provides you with an opportunity to support the delivery of practical services for low-income people, as well as improve the policies and programs, which promote social justice and help to prevent poverty.
